

Policy Number	118.013
Policy Title	TRADITIONAL UNDERGRADUATE ADMISSION POLICY
Responsible Officers	Director of Undergraduate Admissions
Responsible Offices	Admissions Office
Summary	The following policy outlines a traditional admission to the University. s for
Definitions	Official Transcripts A comprehensive record of academic progress, including transfer courses, credit earned by exam, and all earned degrees. High school, homeschool and college transcripts must list the following: Dates the student attended the institution, titles of courses and examinations completed, grades received, credit, hours or units earned, any degree or diploma received,

- Students with a GPA below 2.7 may submit official test scores with a score at or above the minimum listed below. Super scores are evaluated to meet admission standard.
Test Score Minimum:

- Students with a GPA below 2.7, with no test scores, or scores below the minimums listed will be considered for provisional admission.
- Official college transcripts of all coursework completed.
- Final official transcripts are required prior to enrolling.
- Complete additional specific program requirements in the university catalog.

Gap Year Students

Following admission to the University, students who have taken a gap year (typically, an academic year) between secondary school and higher education to attend a specialized credit earning program provide the following to the Admissions Office:

Previously Enrolled Students

Students who have attended CIU post high school and have been out of attendance for two consecutive regular semesters must provide the following to the Admissions Office

- Online application.
- Official college transcripts of coursework completed post CIU enrollment.
 - Minimum grade point average (GPA):
2.0 on a 4.0 scale

Students will need to resolve any holds on their account with Student Life, Accounting, Financial Aid, Registrar, and Advising prior to reenrollment.

Students who have missed only one regular semester of study contact the Registrar and Financial Aid Offices. Students returning to reside in the residence halls conn
